5. Scholarship to Students for Research Related to Tiatr

In order to encourage young students to undertake research in different aspects of Tiatr, its song and music, TAG has formulated this scheme to offer scholarships to college and university students for research related to tiatr.

The norms of this scheme are:-

2. The scholarship will be given to a bonafide student who does research work or a project related to tiatr in English and Konkani (Roman script only). 3. The applicant should have secured at least 50% marks in the last examination.
4. Scholarship will be given only once in a particular category. However, the same applicant is free to apply for the other categories in the subsequent academic years.
5. Every year TAG will offer the following scholarships in 3 categories:-

Category	Number of Scholarships
(i) PhD	1
(ii) Post-Graduation	3
(iii) Graduation	6

   The amount of each scholarship will be as decided by TAG from time to time.
